

”Become more self-sufficient
with a little extra support”

ROPOX GRAB AND SHOWER RAILS

SAFELY MANOEUVRE WITH GRAB RAILS

Grab and shower rails are robust and stable aids for the independent user in situations where they need a little extra support.

The grab rails are available in a number of lengths and shapes enabling you to design a bathroom with the right aids at the right place for the individual user.

Due to the design and size of the grab rails, you will have a firm and stable grip. They are easy to clean thus keeping a high hygiene level.

The grab rails for adjusting the height of the hand shower can be used with just one hand making it very easy to use.
